They have 42 guys- 20+ do not travel but practice. he will be fine. Bench warming on the 4 time in a row national champion is not bad as a freshman.

I would love him to actually be committed and give it his best. I don't want to taint his meeting with USC coach. I know he was worried about his grades and practice time commitment and travel year round.

So it sounds like even if he practices all the time etc it will be known that he is a bench warming candidate? Obviously his skill level may be below the other freshmen. In your view will he be so weak as to be a clear misfit at practice etc?

Travel is only if he is playing so No- the commitment is to be on the roster not attend all practices but he will have to attend drug tests and other mandatory functions for 1 year then walk away/ frankly after the 1st semester he can move on

Johnny also was wondering if he did the side door at USC is it year round commitment ?for two years min? Or one? Will he be traveling w team or stay home for road meets etc.

What would a bench warmer position mean? Would the other kids know he was a bench warmer side door person?

If water polo and swimming are nit realistic for johnny, then What are the schools that he has a realistic shot at (without help) in SoCal area, southwest and east coast?

Santa Clara is slightly lower than LMU in polo, UCSD is very academic and they would take Johnny but cannot help get in.

Jovan just texted me he will meet you all at 3:30pm on Tuesday on the pool deck. You will have to leave LMU early.

They are in the top 8 in the country. They want totally dedicated polo players - Johnny has to put in more time and decide he really wants to play or when they meet him they will be disappointed and make my relationship sour.

Please let me know if Johnny is going to be totally on board. LMU may be delayed if Jovan comes to campus to meet at noon on Tuesday as well.

There are no offices on campus at usc. I asked Jovan to come to campus to meet. At LMU they are not very interested in Johnny- more get in and then we can speak same for others. I can ask again but be prepared for their outlook.
